Overview

Welcome to the Lochsa, a spacious and elegantly designed single-story home offering comfort and functionality. As you step through the covered entry, you're greeted by a long foyer that effortlessly flows into the expansive great room. The open layout seamlessly connects the kitchen and casual dining area, perfect for entertaining guests or enjoying family time. The primary bedroom suite provides a peaceful retreat, complete with two walk-in closets, a shower with glass enclosure, and separate vanities. Additionally, the Lochsa features 2 secondary bedrooms with a shared full bathroom. A flex space off the foyer offers versatility, and the powder bath adds convenience. Convenient laundry room is set just off the everyday entry. 3 car plus boat garage. Front and rear landscape included. Home is under construction. Photos are similar. BTVAI
