Overview

Bring your building plans! This 1.03 acre residential lot in Clayton, GA is ready and prepped with a graded home site for a basement foundation and has underground utilities, city water, and the potential of a 3 bedroom septic already in place. Septic permit on file. Just a 5 minute drive to downtown Clayton, this lot is located off a private and paved road in the lovely Pinnacle neighborhood. Seasonal mountain views in the winter could be year round views with a few trees removed and tops cut back. Don't hesitate on seeing this great building lot in Clayton, GA.
