Overview

This meticulously maintained 2 bedroom townhouse is located in a pretty country setting--sited perfectly between Amherst Village and the Middle School and Souhegan Highschool in this high-demand town. Built in 2014, this beauty is better than new with shiny hardwood floors, spacious cherry kitchen with newer appliances (oven has never been used!) and a spacious walk-in pantry. A sunny dining area offers wooded views of the private back yard and corner deck--a great vantage point to watch all the wildlife at your back door! Upstairs an oversized primary bedroom offers 2 closets, while a nicely sized 2nd bedroom or office overlooks the back yard. Both rooms are serviced by a spacious full bathroom including a stylish, fully-enclosed shower with frameless glass doors and lots of storage space. The unfinished walkout basement is filled with light and offers so much potential for a future gym, workshop or media room. Brand new HVAC and hot water heater will have you carefree for the winter months. Convenient to commuting routes, schools and shopping, this tidy unit with 1 car attached garage leaves nothing more to be done...Welcome to your new home in this friendly community!
