Overview

Welcome to an Estate beyond Imagination! Discover the unparalleled craftsmanship and architectural distinction in this 4595 sf custom-built Timberpeg, post and beam home, set on nearly 25 acres of breathtaking landscape with added potential of buildable lots. Built to offer both luxury and comfort, this home is a true masterpiece blending rustic elegance with modern convenience. As you enter the grand vaulted foyer, you are greeted by a beautifully designed custom tile floor and one-of-a-kind copper chandelier. The heart of home, a sunken 24x24 great room, invites you to relax by the magnificent stone fireplace under vaulted ceilings. The chefs kitchen features high-end stainless-steel appliances, stunning copper accents, walk-in pantry and large 10' granite island. Upstairs, two vaulted bedrooms with lofts provide extra living space, while the main suite is a sanctuary with a gas fireplace, vaulted ceilings, and spa-like bathroom with a walk-in shower, soaking tub, and huge walk-in closet. The third floor adds a versatile bedroom with vaulted ceilings, perfect for guests. Additional features include a massive walkout basement, five zone HVAC system, radiant floor heating on 1st floor and 2nd floor bathrooms, a Kohler generator and 3-car heated garage. The exterior boasts impeccable stonework, copper gutters, and wood gables, set in a serene, nature-filled environment with grapevines and maple trees. Dont miss this rare opportunity to own a one-of-a-kind Timberpeg estate!
