Overview

Experience the coastal lifestyle in North Carolina's sailing capital! This soon-to-be-completed 3-bedroom, 2.5-bath home boasts breathtaking water views in a stunning Neuse Riverfront community. Located just a short boat ride from the Pamlico Sound and Intracoastal Waterway, the home features an oversized master suite, an open floor plan, and a spacious covered porch. Built with future convenience in mind, it is prepped for a future elevator and includes a two-car garage beneath. Personalize your outdoor space with your choice of an outdoor kitchen or shower. Custom build by Kim Willis and her team invites you to experience the best of waterfront living.
