Overview

You'll find more than you can imagine in this perfect Laketown gem! Offering 2,328 sq ft of living space, 4 bedrooms, great living space, a designer kitchen, 2 full baths, laundry room, mud room, an in-ground pool, a spring fed pond, and a massive insulated and heated outbuilding all on 5.48 acres. This cozy home with a covered front porch is full of possibilities. The kitchen has a new dishwasher, gas cook top and gorgeous views of back. The beautiful 18 x 30 ft in-ground pool has a water slide, diving board, 15 foot deep end, and a pump house surrounded by a large concrete area and huge treated deck. A 3680 sq ft insulated/heated outbuilding has a AC in some areas, 5 outer garage doors, 1 of the doors is a 12 ft door for an RV. Contingent upon seller finding home of choice.
