## Overview

Beautiful 3-bedroom, 2-bath full brick and stone home in the Millwood subdivision. Owner has taken so much pride in updating this home including recently installed top of the line hickory hardwood flooring throughout and new 5' baseboards and installation by Buttler's Heat and Air of new high end HVAC system with full 10 year warranty. The landscaping has over gone a complete overhaul with new trees and an amazing well-maintained lawn, along with a new 35' x 16' concrete patio. This custom home boasts tray ceilings, a spacious living room, kitchen, and formal dining room with a bay window. The kitchen shines with a complete remodel including: soft-close cabinetry, a pantry, granite countertops, new stainless steel appliances, and a coffee bar. The spacious master ensuite offers a jetted tub, walk-in shower, and walk-in closet. An oversized laundry room provides additional pantry space.
