## Overview

Discover the epitome of luxury living in this exquisite home situated on a prime corner lot in Las Colinas. Boasting a 3 car tandem garage, this home offers an ideal blend of style, comfort, and functionality. A guest bedroom with its own full bath is conveniently located on the first floor. The open floor plan is accentuated by abundant natural light streaming through large windows, making the living spaces welcoming and bright. The master suite, located on the second level, features an expansive sitting area and a lavish ensuite bathroom, providing a serene retreat. You'll also find a spacious game room and a dedicated theater room, perfect for entertaining and family gatherings. Two outdoor patio areas enhance the home's appeal, providing perfect venues for relaxation and alfresco dining. With three distinct living areas and a design that encourages both community and privacy, this home redefines luxury.
