Overview

Just the right size house on Smith Mountain Lake. If one floor living is what you need, the entry level has an open floor plan with vaulted ceiling, spacious modern kitchen and dining area plus two bedrooms with new vinyl plank (use one for an office or craft room) a smartly updated full bath and a laundry closet with full size appliances. Lower level offers a family room, huge laundry and storage room, two additional bedrooms and an updated full bath. Interior has been painted, can lights with dimmers added throughout. Enjoy the lake and quiet location from either the upper or lower deck that span the house. The detached two car garage has a lower level for workshop or storage. Double slip dock on a quiet deep cove just minutes from Magnum Point Marina for year round dining, or gasing up your watercraft.
