Overview

Ranch with full finish basement which provides more living space. Master bedroom with sitting area which can be converted into a 5TH bedroom. Granite countertops and 8 foot long kitchen island with salad sink. There's an entrance to George Pierce park about one block away from the house. Walking distance to Suwanee Town center. Conveniently located near major highways for an easy commute, schools, shopping and restaurants. HOA is optional only for a few houses, including this one.
