Overview

Premium city location with the feel of living in the country. This beautiful home backs up to a private acreage property and private pond. Enjoy the views from your protected patio with a wood burning fireplace. Large primary bedroom and bathroom with oversized walk-in shower, granite counter with dual sinks and a soaking tub. Second ensuite bedroom on the first floor as well as a flex room for an office or exercise room. The kitchen was masterfully redone with lighter cabinets, built in wine fridge, six burner gas cooktop, double ovens, and a fantastic island for entertaining. The laundry room is also oversized with a utility sink and room for a second refrigerator. Bonus room upstairs for your enjoyment as well. Oh by the way, the HOA maintains the front and back yards.
