Overview

Welcome to your oasis on over 2 acres with the option to include an additional 2.27 acres. This stunning 4-bedroom, 3-bathroom rock home boasts captivating sunset views to the west, thanks to its oversized windows that flood the living spaces with natural light. Step inside to discover the inviting warmth of the living room and primary bedroom, distinguished by a grand fireplace and rock accent wall. With commercial-grade building upgrades, this custom home exudes quality craftsmanship and durability at every turn. Beyond its charming exterior lies a large bonus room, perfect for exercise and entertaining. Whether you're hosting gatherings or enjoying quiet moments of relaxation, this versatile space offers endless possibilities. Outside, the land invites you to embrace outdoor living, whether it's gardening, recreational activities, or simply unwinding. Escape the hustle and bustle of city life and make this idyllic property your own.
