Overview

Beautiful home close to WCU campus. Standing in the flat yard of this home you would think you are in a private park but really you are within walking distance to WCU campus. This home is very well maintained and very conveniently located. The entry foyer has a slate floor and hardwoods in the living room and kitchen. The sliding glass doors lead out to a comfortably deck that wraps all the way around the house. Large carport leads out to the well groomed back yard with a fire-pit and workshop.
