Overview

Sophisticated Elegance in the Heart of Roswell Step into this stunning condo, where sophisticated elegance meets modern convenience. Recently renovated to perfection, the home features a completely revamped kitchen and bath with custom-built cabinetry, designer tile, lighting and high-end finishes throughout. Enjoy the warm ambiance created by new flooring and freshly painted walls, making this space move-in ready. Relax on your front porch while taking in the serene views of the lushly landscaped grounds and the sparkling pool just steps away. The prime location offers unparalleled convenience, with shopping, restaurants, and schools all within walking distance. Plus, easy access to major highways like RT400 makes commuting a breeze. This home truly has it allelegance, comfort, and location.
