Overview

Make it your own! This charming 4-bedroom, 1.5-bathroom home is located near schools, parks, downtown, restaurants, stores, and The Fields Golf Course. On the main level you will find the kitchen, half bathroom, a bedroom, formal dining room, living room, mud room, as well as the glassed-in porch. On the upper level is 3 more bedrooms and the full bathroom. Enjoy your mornings and afternoons in the glassed-in porch perfect for relaxing or growing an array of plants. The newer garage will come in handy for all your storage needs. The garage also includes a 200-amp electric source perfect for any outdoor projects. Home has been pre-inspected.
