Overview

Step into this 2-bedroom, 2-bathroom home on nearly 4 acres of riverfront property along the Withlacoochee River. The kitchen is designed with functionality in mind, offering an island with bar seating and ample cabinet space for all your storage needs. The primary bedroom includes a spacious walk-in closet, providing plenty of room for your wardrobe and personal items. Just off the back of the house, a small covered deck offers a peaceful spot to relax and enjoy the views. Beyond the deck, the land opens up to three beautiful acres where the river winds through creating a perfect setting for nature lovers and fishing enthusiasts alike. There are steps that lead right down to the water. The Withlacoochee River is renowned for its exceptional bass fishing, where you can reel in largemouth bass, channel catfish, bluegill, sunfish, and more. The property's spacious land provides plenty of room for outdoor activities, whether you're looking to fish, explore the surrounding forest, or simply enjoy the beauty of this natural oasis. Located in Jasper, this home is part of a small-town community known for its friendly atmosphere and rich history. Jasper offers the combination of rural living while still being conveniently close to local shops and amenities. Situated near Twin Rivers State Forest and Suwannee River State Park, this property offers endless opportunities to explore Florida's diverse wildlife and natural beauty. With easy access to hiking trails, camping spots, and picnic areas, this home is an ideal retreat for those seeking a quiet lifestyle with plenty of outdoor recreational options.
