Overview

Charming, well-kept cottage on 5 acres surrounded by tree and mountain views. Huge front porch overlooks native flora and wildlife. Big storage building, carport, and pen for small animals. Great starter, vacation, or retiree's homestead. Main level has eat-in kitchen overlooking a living room and office or library space. Big windows and picturesque views. Downstairs is the primary bedroom with full bathroom - right outside it is a covered patio. The top floor of the cottage has a loft, perfect as a 2nd bedroom or craft room. Agents see remarks.
