Overview

A large home with two living areas. It is a home with a spacious layout. It spans 3,033 square feet and is set on a 1.55-acre lot (67,518 square feet). This property, built in 1981 and renovated in 2022, features 5 bedrooms and 4 bathrooms and 2 kitchens. The house has two stories, with a walkout basement and includes both well water service and a septic system. This all-brick home has a separate attached dwelling unit (ADU) to rent out and earn extra income or use for multigenerational living. It has new depressed maple flooring in the main house, also hardwood floors in the ADU. A freshly sealed asphalt driveway and a great horse property on 1.55 acres. The home boasts picturesque views from the large deck on the front of the house and is located in Park County, within a quiet, rural setting in the Burland Ranchettes community, which includes a wonderful park with a playground and picnic tables. The property is zoned for residential use, allowing for single-family, two-family, or accessory dwelling units (ADUs).
