## Overview

Looking to be near Lake MI? Looking to be near Downtown GR? How about right in the middle?! This ONE OF A KIND condo in the beautiful and highly sought after Water's Edge development. There has been absolutely no expense spared when designing this condo and it definitely stands out from the rest! Every finish and function has been upgraded! Starting in the kitchen, we have a 30" Sub-Zero fridge, 36" - 6 burner Frigidaire Gallery gas range, enlarged pantry, bronze finishings to complement the quartz counter tops and custom cupboards. Move to the living room, take in the view with the custom upgraded banquette window seat, extra windows and enjoy the fire in the custom fireplace with authentic barn beam mantle. There are tile floors, LVP floors and custom sinks/faucets throughout Other upgrades are the 3rd conforming bedroom, upgraded carpet throughout, custom oversized jetted tub in lower bathroom, a 75 gallon hot water tank, built-in folding surface and sink in the laundry room, epoxy garage floor in the larger garage of the two units, real rock accent wall in master bedroom, custom tv and closet system in bedroom
