Overview

Welcome home to this newly updated 4 bedroom home! This manufactured home offers ample space and comfort. Step inside to discover a freshly painted interior complemented by brand new flooring, light fixtures, and kitchen countertops. As you explore, you'll notice an abundance of natural light streaming in from every angle, creating a warm and inviting atmosphere throughout the home. Whether you're relaxing in the spacious Owner's Suite on one end or enjoying the company of family and friends in the three additional bedrooms and well-appointed bathroom on the opposite side, you'll find plenty of room to spread out and make memories. The heart of the home lies in the large eat-in kitchen, where new appliances, countertops, and a double-sink await the culinary enthusiast. Whip up delicious meals and entertain with ease in this inviting space that's perfect for gatherings of all sizes. Step outside and experience true tranquility on the back porch overlooking your fenced-in oasis. From morning coffee to evening cocktails, this private retreat offers the perfect setting to unwind and soak in the beauty of your surroundings. Plus, with a convenient shed for all your outdoor storage needs, keeping your space organized and clutter-free has never been easier. Located just a short drive from Wilmington, beaches, shopping, and I-40, this home combines the serenity of country living with the convenience of city amenities. Don't miss your chance to make this

dream home yours – schedule a showing today and start living the life you've always imagined!
