Overview

Welcome to 204 Token Ct! This is a wonderful home nestled in the back of a cul-de-sac on .44 acres. This property has 4 bedrooms, 3.5 bathrooms, and sits on 2,109 heated sqft. As you make your way down the extended driveway, you'll notice the beautiful landscaping and matured trees that offer ample shade and privacy. There is a two-car, enclosed garage with an additional carport and storage closet that allows for multiple guests! As you make your way inside the house, you will find a large living area with vaulted ceilings and a great sunroom perfect for relaxing and entertaining. The downstairs floor will boast a bedroom, full bathroom, living and dining area, kitchen, laundry and powder room! Upstairs you'll find the remaining three bedrooms and two full bathrooms. The backyard provides a large area with tons of possibilities. There is a sitting area outfitted with stone pavers and more shade provided by beautiful trees. The yard is enclosed with a privacy fence that allows for a dedicated entertainment space for you and your friends!
