Overview

This beautifully renovated brick split-level home, located on a private cul-de-sac, offers modern living at its finest. The spacious eat-in kitchen features custom white shaker cabinets, a central island, high-end stainless steel appliances, and quartz countertops. The open-concept layout seamlessly connects the kitchen, dining, and living areas, perfect for entertaining or family time. Enjoy the convenience of an expansive, fenced-in backyard that includes a new concrete driveway and a custom-built 2-car garage. Modern upgrades in the last 3 years include new plumbing, electrical work with can lighting, and a central air conditioning system. This home is a must-see! Conveniently located near highway access and shopping on Lincoln Avenue.
