Overview

Are you looking for a project with 11 acres+- of unrestricted property?? This can definitely be it. The home has not been finished but a lot has been done as pictures will show. Interior has most of the wood ceiling installed, walls framed, electrical wiring is semi completed, one bath and two bedrooms on main level, with a loft room and a bath on top level. Well is in and septic system appears to be in(clean out found) You can hear the sounds of Tusquittee Creek flowing from the front porch and there can be some great mountain views from the front porch also with a couple of trees taken out.. Please no drive by's have a realtor with you as the road is a bit treacherous. Thanks in advance!!
