Overview

Beautiful Ranch Plan with 4 bedrooms, 3 1/2 bath, 3 car garage, and full finished basement. The Chefs kitchen features stainless appliances (gas range, hood, wall micro/oven combo), designer cabinets, large island with pendant lights, spacious walk-in pantry, granite countertops and engineered hardwoods throughout. The great room features high ceilings, gas fireplace, adjacent to large kitchen and dining area making it perfect for entertaining. The abundant windows and light make it bright and spacious. The Master suite with 5-piece bath and walk in closet, along with additional bedroom connected with bathroom, powder bath and laundry all on the main level. The gorgeous wrought iron railing overlooks finished basement. The basement includes 2 additional bedrooms, bath, and rec room and game room provide additional space along with large mechanical room for storage. Additional features include Walk in closets, dual vanities in master, AC Prep, wet bar rough in and more! This home is in a cul-de-sac and backed up to open space. This home was designed for performance and energy efficiency and will receive a HERS score once complete. As a result, you should see savings on your utility bills. Schedule your appointment for viewing today! PLEASE NOTE: Photos and videos are of different home/ same floor plan and finishes may vary.
