Overview

Perched on a hilltop at the north Amherst line, this mid-century modern home offers the perfect blend of privacy and convenience. A serene retreat yet close to everything, the property features Zen gardens that seamlessly integrate with the natural surroundings. The meandering driveway welcomes you to this two-story, sprawling Ranch with a garage underneath. Enter through the garage or stroll to the backyard deck to enter the main floor. Lily pond with koi fish by the brick patio greets you at another entry. These entry points lead into a sunlit mudroom adorned with slate floors. At the heart of the home is a majestic stone fireplace, anchoring the spacious, sun-soaked living room. The open floor plan flows effortlessly through the kitchen, living room/library, dining room, and sunroom, creating a harmonious living space. Wood floors grace the main level, while a thoughtful combination of tile, carpet, and linoleum completes the house, ensuring elegance and durability in every corner.
