Overview

Seller incentives that work just like a new build. Buy a home in as little as three weeks with 6% in closing costs assistance or rate buy down through preferred lender. This beautiful two-story home has an open floor plan, 4 bedrooms, and 2.5 baths. It includes a main floor primary suite with an en-suite bathroom and a garden tub. The house comes with several upgrades already, like granite countertops, 42 upper wood cabinets, energy-efficient kitchen appliances, a fully fenced back yard, and an attached two-car garage.
