Overview

Imagine leisurely boat rides and glowing fires on the patio. Imagine a private waterfront property thats convenient to Boston. Sound too good to be true? This condo on Lake Chauncy is all that and more. Pass through its courtyard and entrance hall into a spacious living area with ten-foot ceilings, gas fireplace, and a wall of windows overlooking the lake. Left of the foyer find a bedroom and full bath; to the right are the kitchen, powder room, back hall with laundry area, and entrance to the two-car garage. Dressed with dark cherry cabinets and granite countertops, the kitchen boasts expansive counter space and a dining area with water views. Situated on the south side, the substantial master suite offers a California closet, a soaking tub, and more views of the lake. The lower level has two bedrooms, another full bath, extensive storage space, and a game room. And just imagine, it comes with a sprinkler system and well!
