## Overview

This clean, charming, updated multi-level townhome in Newbury Park is available for immediate occupancy. With lots of natural light, this home features fresh paint, luxury carpeting in bedrooms and loft, dual pane window treatments, and an updated kitchen with granite countertops, ample cabinet space, stainless steel sink, travertine floor, and recessed lighting. Vaulted (smooth) ceilings in the eating area, living room, loft, and bedrooms provide a much more open feel. The main bath features a beautiful travertine shower, and a remodeled gas fireplace is in the living room. There is lots of closet space with an organizer in the primary bedroom. A two-car garage with direct access has hookups for full-size laundry machines. Best of all, there is a lovely, very usable, private patio just outside the front door with a 'secret garden' feel - perfect for barbecuing and entertaining. This home is well located within the community and shares only one common wall with a large grass area outside the front gate. The community offers two pools (with restrooms and shower), a spa, a tennis court, a sports court, and a children's play area. The home is located within a short distance of restaurants, shopping, hiking/mountain bike trails, parks, schools, and freeway access. Hurry, this one will not last.
