## Overview

Stunning Townhome Boasting Extensive Upgrades! This gorgeous townhome is just like new and ready for move-in! Experience the perfect blend of comfort and convenience in this meticulously maintained home complete with significant improvements that add luxury in all the right places. The open floorplan on the main level is expansive and offers an inviting space for relaxing or entertaining. Complete with a spacious kitchen containing a center island, granite countertops and tons of counter space and storage. The dining area, living room, half bath and utility room also on the main level contribute to the style and functionality of the home. The elegant plantation shutters, recently upgraded windows and tile floors enhance both the aesthetic and energy efficiency of the home, complemented by a whole-house water filtration system. Step outside the sliding glass door onto the covered patio where you can enjoy views of greenspace with lush growth from your patio or yard space. As you go upstairs you can feel the plush the upgraded carpet beneath your feet which has been installed throughout the entire second level. The secondary bedrooms are spacious and equipped with sizeable closets and windows that bring in natural light throughout. The primary bedroom contains a walk-in closet with built-in shelves and a spacious full bath. Situated in a prime location

just off the I30 toll for easy travel in any direction and in close proximity to all the amenities you will need for shopping, groceries, entertainment and dining!
