## Overview

Experience luxury and convenience in this beautifully designed home. As you walk into the vaulted foyer you can immediately get a sense for how well cared for this home is. The kitchen was remodeled in 2020 and features a large eating area, breakfast bar that seats 5, granite countertops, 42' Cabinetry. The family room have 18' vaulted ceilings and it the perfect transition space from the kitchen for entertaining. The first-floor master suite offers a full bathroom and a spacious walk-in closet, ensuring a private retreat. There is a 2nd bedroom which would make a great first floor office, as well as a laundry right off of the 3-car garage. Enjoy the elegance of high ceilings throughout the home, enhancing the open and airy feel. Two additional and spacious bedrooms as well as an office/study room and full bathroom are on the 2nd floor. Then prepare to be impressed as you make your way to the deep-pour basement that was completed in 2020! It is an entertainer's paradise! It has a full bathroom, gorgeous wet bar with granite countertops and fridge, and tons of storage space. Step outside to the charming brick paver patio and enjoy the privacy of a fenced yard, perfect for outdoor activities and relaxation. The three-car garage provides ample space for vehicles and additional storage. This home combines modern updates with thoughtful design to offer comfort and style at every turn.
