Overview

Experience Texas living at its finest in this 6 acre gated estate. This input shows seller subdividing land to sell the home on 6 acres. Features include a 1200 sq ft barn with 2 stalls, tac room, and the home has a 3 car garage. Enjoy a home theater with surround sound, and a sunroom with fireplace. The kitchen has custom amenities like a paneled refrigerator, bar area, walk-in pantry, double ovens, and built-in microwave. Primary bathroom offers a spacious shower, stained glass window, dual sinks, and private toilet. Additional highlights: 5th bedroom currently being used as an office with full bath attached, large laundry room, security system, and steel safe room. New septic lateral lines were installed in 2022 and the home has 3 five ton HVAC units to ensure comfort and convenience. Ask your agent for the full features list.
