Overview

Come live on this quiet country lane, but still close to city amenities with all the upgrades. Guests are greeted to a large light and bright living room leading to a fully updated kitchen. Kitchen features soft close white shaker cabinets, white quartz and beautiful backsplash. All brand new stainless appliances included. Main level also features the Master with a large closet, laundry room and full bath. Upper level has an additional bonus room, 2 more bedrooms and full bath. Home sits down the lane which allows plenty of space in the front for parking, trailers or animals. Don't miss the new interior/exterior paint, new flooring and completely updated fixtures.
