Overview

Welcome to this beautiful 3-bedroom, 2.5-bathroom gem in Alsip. With 1,766 sq. ft. of living space, this home boasts modern upgrades and a spacious yard perfect for relaxation and outdoor activities. Recent improvements include newly replaced cabinets, a brand-new water heater (2024), and fresh flooring in the upper level (2022). Enjoy the updated upper-level bathroom with new tiles and a sleek new toilet in both the upper and main level bathrooms. Located in a quiet neighborhood with great schools just a short walk away, this home is also conveniently close to a playground, skateboarding park, and public pool. Plus, you'll find stores and fast-food options nearby for added convenience. Don't miss the chance to make this updated beauty your new home!
