Overview

Stunning home in a stunning location! Lovely farmhouse style home sits on 8 acres with a large aerated pond and beautiful pool with guest house! Your home features 3 bedrooms (bonus room could be your 4th bedroom) with 2 full baths. Awesome kitchen recently went through a complete remodel! Inside the fireplace will make you happy on a cold winter day but in the spring, summer and fall your family will definitely gravitate to the relaxing front or back porch. The backyard pool with guest house is a great place to entertain! Pool/guest house could even be an Air BNB as it features an open living/kitchen with a bedroom and spacious bathroom. Pool house (760 sq. ft.) is not included in square footage, bedrooms or bathrooms on listing sheet.!
