## Overview

Discover the perfect blend of style and comfort in this contemporary 3-bed, 3-bath open floor plan. As you enter, you're greeted by rich hardwood flooring that flows through to the kitchen. The spacious kitchen features a butcher block island, granite countertops, and ample cabinet space, making meal prep a breeze. Convenience is key with a first-floor laundry room complete with a sink and extra cabinets for storage. The family room is the perfect place to unwind, with a cozy fireplace and doors that open up to a large deck overlooking the private, fenced backyard with an additional patio area ideal for entertaining. Primary ensuite bedroom on the second floor, where you'll find a private balcony, a luxurious bathroom with a bathtub and stand-up shower, and walk-in closets. Two additional bedrooms and a full bathroom upstairs provide plenty of space for family or guests. The partially finished basement offers endless possibilities, from a home office to a playroom or additional living space. Additional upgrades include: tankless water heater, newer roof, newer windows, new Culligan water softer. Don't miss the chance to make this contemporary gem your forever home!
