## Overview

This meticulously maintained all-brick ranch is situated on a generous corner lot. Step onto the freshly painted covered front porch, an inviting spot perfect for welcoming guests or enjoying a cozy fall evening under your favorite blanket. Inside, the home is move-in ready and bathed in natural light that pours through the spacious living room's large picture window. The adjacent dining room features a custom built-in hutch, leading you to a kitchen that boasts an abundance of cabinet space and a charming skylight, filling the space with a warm, ambient glow. The kitchen nook is ideal for a bistro table, perfect for casual meals. The generously sized garage offers multiple entrances, including easy access to a 3/4 guest bath. The three bedrooms are roomy, each with closets outfitted with custom shelving, and share a tastefully updated full hallway bath. The expansive basement provides endless possibilities, featuring a massive, finished rec room with cabinetry and a cozy gas fireplace. In addition, a spacious laundry room with additional storage and countertops, and a versatile finished room that could serve as a private office. There's even a workshop and ample storage space. The fully fenced backyard offers privacy and is equipped with a large shed, ideal for extra storage. Plus, the side yard boasts a large, paved basketball court. This home truly offers it all.
