Overview

This wonderful Crystal Falls home lives like a one story with the added bonus of a 2nd floor flex space. It offers 4 bedrooms, 3 full baths, and an array of features perfect for comfortable living and entertaining. As you step inside, you'll be greeted by freshly painted walls and new carpet in the bedrooms, creating a clean and inviting atmosphere. The spacious open kitchen is a chef's delight, featuring modern finishes and overlooking the family room, where a cozy fireplace adds warmth and charm. The home offers two living areas and two dining areas, providing ample space for family gatherings and relaxation. The new laminate flooring in the family room enhances the contemporary feel and durability. The expansive master suite features a private bath, ensuring a tranquil retreat at the end of the day. Outside, you'll find a large, spacious backyard perfect for outdoor activities and gatherings. Enjoy your morning coffee or host summer BBQs on the covered patio, which offers a perfect blend of comfort and style. The two-car garage provides convenient parking and additional storage. Location is key, and this home doesnt disappoint. Situated just half a block from the community fishing pond, pool, and playscape, you'll have easy access to recreational amenities for the whole family. Whether you're fishing, swimming, or enjoying the playground, youll love the convenience of living so close to these community features. Don't miss out on this exceptional home that

combines modern updates with a fantastic location. Schedule your visit today and see why this Crystal Falls gem is the perfect place to call home!
