Overview

Discover unparalleled luxury in this gated Mediterranean estate, set on 1.6 private manicured acres in the heart of Beaumont. A stunning vaulted walkway connects the primary suite and home gym to the elegant formal areas. The residence features 6 bedrooms, a theatre, an office, a wine grotto, and an open concept kitchen with a den. Rich woodwork, exquisite moldings, and designer lighting enhance the home's architectural charm. The primary suite includes a private sitting area, fireplace, and courtyard, while the lavish bath boasts a champagne bubbled tub, custom-built closets, and a spacious shower for two. Upstairs, bedrooms each have en-suite baths, walk-in closets, and access to an upper patio with views of the backyard. Entertain in style with a resort-style pool/spa, sunbathing deck, swim-up bar, covered patio, pergola, summer kitchen, and outdoor wood-burning fireplace.
