Overview

You will love this coastal inspired 3 bedroom 2 bathroom home in the highly sought after Windsor Park community. Situated on a cul de sac, the curb appeal is enhanced by the rocking chair front porch, stacked stone siding, and low maintenance landscaping. Upon entering the home you'll be pleasantly greeted by an expansive open concept living space, tray ceilings, and loads of natural light beaming from all angles. Custom craftsmanship greets you around every corner as the current owners have carefully and tastefully updated this home. These updates include custom mirror framing in the bathrooms, LVP flooring throughout, custom shelving in the linen closet, updated hardware and ceiling fans. You'll be enchanted and envied by neighbors with your fully fenced and spacious backyard which exudes tranquility and peace. Relax under the porch with a good book or invite your favorite people over for memories by the fire under your solar powered pergola. The Windsor Park amenities include a community swimming pool and Owners' Clubhouse, a Playground, large recreational area, picnic shelter, and walking trails. Additionally, you are a short drive to local beaches, downtown Wilmington, grocery stores, and shopping malls.
