## Overview

Single story 4 bedroom home on over an acre corner lot with custom designer touches throughout. Open the door to find a open floorplan that takes your breath away at every turn. Office features french doors leading to custom built bookshelf and window seat. Dining room is perfect for entertaining and easy access to kitchen with double ovens, granite counter tops, ample storage, and built in bench style seating. Living room is made for entertaining with vaulted ceiling and handsome gas fire place. Secluded master retreat has private sliding glass doors to back yard, separate tub and shower and walk in closet that you can customize to your needs. 3 other separate bedrooms and secondary bath with chic wall paper. This backyard is truly like no other, private out door kitchen, beautiful flower garden with swing and splashpad. Plenty of green space to enjoy and three car garage gives extra storage.
