Overview

The Apollo at Kingsley Creek is a spacious and modern floor plan offering 4 bedrooms and 3 bathrooms of living space. This home features an inviting open concept layout, complete with a main floor guest suite for added convenience. Upstairs, you'll find a versatile media loft, perfect for relaxation or entertainment. The heart of the home is the kitchen featuring a large island with ample amount of cabinet storage making it a chef's dream kitchen. The owner's suite provides a private retreat complete with a large walk-in closet and large ensuite with a separate tub and shower, while the spacious secondary bedrooms offer ample space for family or guests. The charming exterior adds to it's curb appeal. The Apollo at Kingsley Creek combines style and functionality to create a comfortable and inviting living environment for you and your loved ones.
