## Overview

The CARNEGIE II floor plan offers a ton of usable space. Every single square inch is utilized making this home feel much bigger and more spacious. This home includes an open concept from the kitchen to the living room. The master bedroom in this home is large enough to accommodate any furniture while leaving room for more and that's on top of having a large walk-in closet with a very comfortable bathroom. Three additional bedrooms that are evenly sized. Home is currently under construction with anticipated completion in December.
