Overview

Under Construction. This contemporary home is assured to catch your eye as you take notice of the openness and height as you enter through the 8' exterior doorway. Preeminent luxury 7 x22 Wood-Look Tile Flooring graces the main walkway, dining, kitchen, and great room areas. Upgraded great room, bathroom and laundry room windows enhance this home's natural light on sunny Florida days. Ultra-modern stainless steel GE appliances, white quartz countertops, under-mount stainless steel sink, and white 42 cabinets with brushed nickel hardware finishes highlight a lavish kitchen. Experience Florida living at its finest with an included covered lanai. Additional highlights include an alcove for tech center workspace or customized built-ins. An airy master bedroom with en suite bathroom boasts a tiled shower enclosure and double vanity. A must-have list of elegant upgrades you're assured to fall in love with. Sample photos actual homes as constructed may not contain the features and layouts depicted and may vary from image(s).
