Overview

This stunning two-story home offers five spacious bedrooms and two and a half bathrooms, ideally located near Hamiltons schools. The main level features both a living room and a family room, a cozy fireplace, laminate wood flooring, and built-in surround sound speakers create the perfect space for relaxation and entertainment. The main-level master suite is a private retreat, complete with a luxurious bath and walk-in closet. Throughout the home, hardwood flooring lends an elegant touch to the common areas, while plush carpeting in the bedrooms adds warmth and comfort. The main-level laundry room offers practicality with additional storage, while the tiled bathrooms provide easy maintenance and a modern flair. The kitchen, equipped with two adjacent dining areas, is ideal for both casual family meals and formal gatherings. There is also ample potential for expansion, with direct access to the outdoor patio. The outdoor space is equally impressive, featuring a concrete patio that's perfect for dining and entertaining. A built-in outdoor kitchen is a dream for those who love to cook and entertain outdoors. Additionally, a lawn shed provides convenient storage for gardening tools and outdoor equipment, keeping the yard tidy and organized. This home is the perfect blend of convenience, comfort, and style. Contact your favorite Realtor today to schedule a showing!
