Overview

Magnificent Adirondack-style log home offering details only an experienced craftsman could create. The tranquil setting with fruit trees, garden beds, stone walls, front and rear decks, front and rear sunrooms, and a fenced-in yard allow you to enjoy nature from every angle of the property. With a NEW furnace and central air compressor (2024), NEW whole house generator, NEW water softener system, and all maintenance up to date, there's nothing left to do but move in. Don't be afraid of the stairs in this home; a new elevator was installed in 2021 to accommodate wheelchair accessibility allowing one-level living. The first floor includes a spacious primary en-suite with a newly renovated bathroom with laundry and dual closets. The Hickory kitchen complements the details of the log home and includes soft close drawers, Quartz countertops, and a veggie sink off the island. Floor to ceiling stone fireplace makes for quite the statement piece, while offering ambiance and warmth in the cool temps. Heated garage with plenty of room for a workshop, plus additional unfinished space in the basement. Oversized bonus room off the garage with a pellet stove, adjacent to another finished room that could be used as an office, 3rd bedroom, playroom, etc. Enjoy all this home has to offer while sitting on one of the decks, and taking in nature. This one-of-a-kind log home is

ready for it's new owners! Schedule your showing today!
