Overview

This charming 3-bedroom, 2.5-bath ranch home in St. Charles features a modern kitchen with updated floors. The property includes a daycare facility with a fenced-in play area and yard. Daycare equipment and furniture are available at an additional cost. Enjoy outdoor living with a newly painted deck, hot tub, and a tiki bar. Two detached 2-car garages provide ample storage and parking, while a Camper/RV pad with 50AMP hookup and sewage connection adds further convenience. Located on a desirable corner lot, this home blends functionality with leisure, offering a perfect balance of comfort and convenience for family life and entertaining. Call your favorite Realtor today and book your private showing.
