## Overview

This tastefully renovated farm house on an acre of land has had a ton of work done to it. There's a new roof and gutters, furnace and Central Air on the main floor (window units upstairs), remodeled bathrooms, new front and side doors, professionally painted exterior, stainless steel appliances including the washer and dryer, and all new flooring and carpet throughout. The property also features a 1,200 sq. ft. shop built in 2016 with concrete floors, heated and insulated, LED lighting, high ceilings, dual insulated doors and separately metered for electric. Garage is currently rented for \$700/month through January.
