Overview

Welcome Home. Beautiful detached home in desirable Penn Pines. This quiet street has ton of curb appeal in addition to being in an area just minutes from shopping and dining presented by the Baltimore Ave corridor. There are 2 driveways in addition to ample street parking. Approach the home and notice the awesome deck on the side of the home, great for leisure and entertaining. The expansive rear yard provides plenty of opportunity including continuing the beautiful vegetable garden established by the sellers. Enter into the sunlit living area and expansive dining room. The kitchen is roomy with plenty of cabinet space. Additionally, a wall was installed, converting additional kitchen space into an ample sized office. You have to see it to believe it. The basement has the washer and dryer and enough space to finish and is a perfect space for a woodshop. The upper level has 3 spacious bedrooms, including a master bath and a separate full bath. There is plenty of public transportation with easy access to the Philadelphia Airport, Center City Philadelphia and the western suburbs. Make your appointment today.
