Overview

This beautiful home offers 3 bedrooms/2 bathrooms, and 2100 square feet of living space. The property sits on a huge 6.33 acre lot complete with a tranquil pond. Built in 1978, the home has undergone a stunning transformation with a new roof (installed in 2024), updated flooring, updated electrical and plumbing, remodeled bathrooms, a modernized kitchen boasting new stainless steel appliances, and a 5-year-old A/C unit. The open kitchen design creates a warm and inviting atmosphere, perfect for family gatherings. Cozy up by the fireplace on chilly evenings in this haven of comfort and style. The property also includes a one-car garage that doubles as a workshop and a laundry room, making it ideal for families.
