Overview

If you have been searching for that hard-to-find perfect home on a smaller acreage to bring your horses or livestock to, we have it! Everything is here! Located eleven miles east of Sheldon and I-49, this 2017 site built 5 bedroom/2 bath home offers 2848 sqft of wonderful living space. Upon entering, you are greeted by the spacious open gathering area with a wide set of windows which provide lovely natural light. The kitchen is the heart of the home with a large center island, beautiful custom cedar cabinets, concrete counter tops, and a large/deep farmhouse sink. Off the dining area you will find a wonderful porch overlooking the above ground pool, which provides great additional entertaining space. The east wing includes the primary ensuite with bath and walk-in closet, a second bedroom, half bath with barrel cabinet sink, and storage/pantry. West wing is home to 3 additional bedrooms, a full bath, a large utility area with soaking sink and 2 custom cedar dog kennels. The amenities this acreage offers just get better when you tour the large heated/insulated shop, horse barn, and machine shed. The remaining acreage is home to a pond and excellent shady pasture. An additional 33+/- acres of pasture ground can be bought if desired. This property is so versatile, you can do it all! Bring your family, animals, entertain or enjoy the privacy! If you have any questions or would like to
